Calling all students in grades 3 through 12!

The Public Works Department is proud to announce the 2018 Artwork Contest "[Draw a better Buckeye](#)." The contest has been created to assist the Public Works Department in accomplishing community awareness and involvement goals, and to generate fun for our students. Art will be judged by local artists and community members, and prizes have been donated by community sponsors.

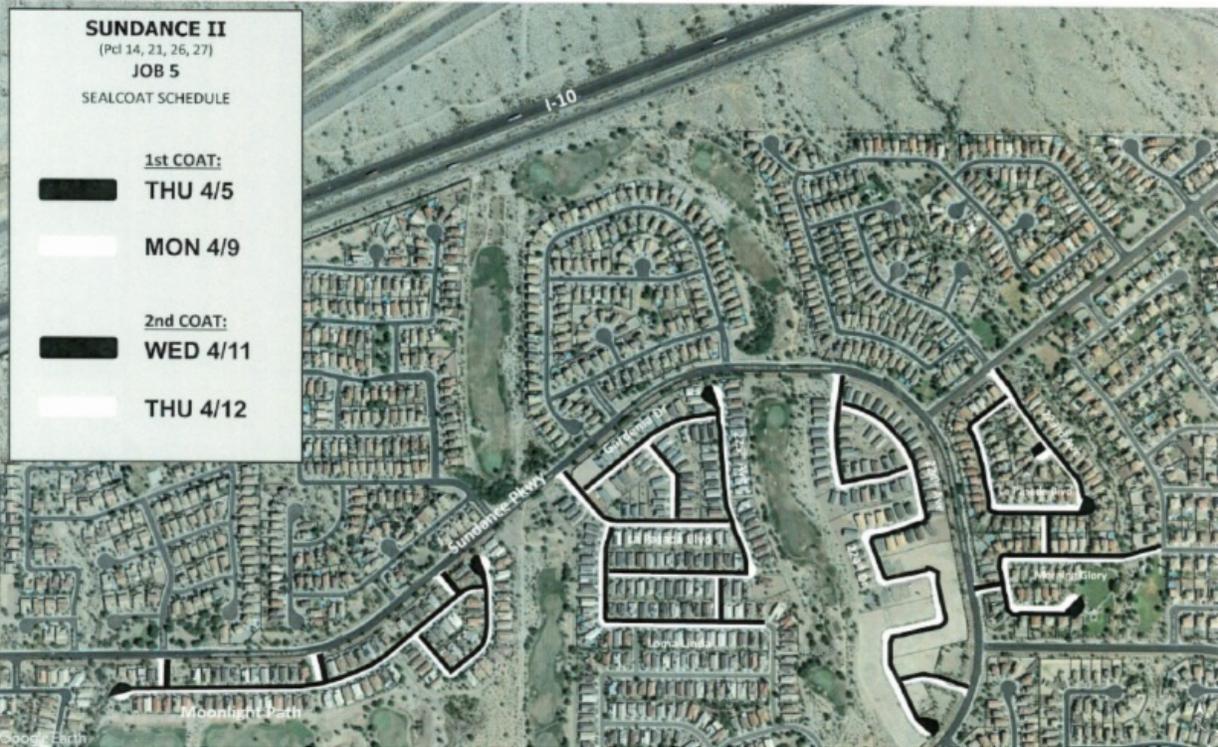

Entries are due to Public Works by April 22 (Earth Day).

Special thanks to our sponsors: City of Buckeye Parks & Recreation, City of Buckeye Police Department, Rancho's Restaurant, and Republic Services

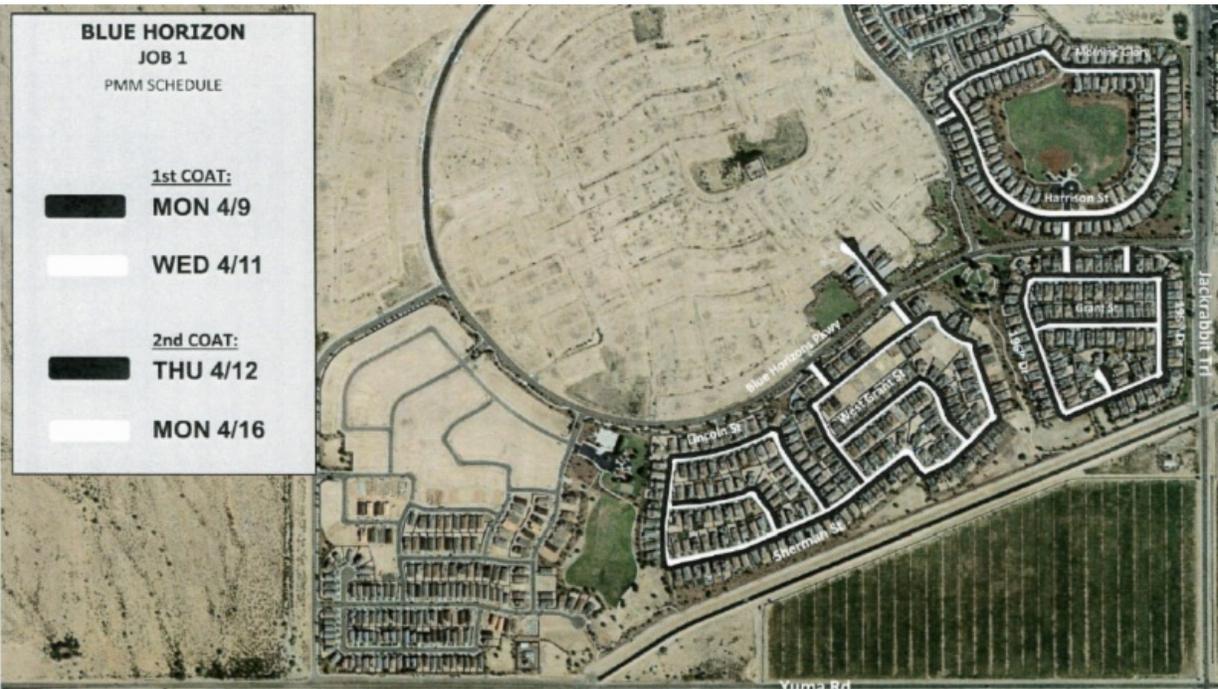

3. Asphalt Sealant

Public Works maintains well over 1,000 miles of paved roadways. To maintain streets, asphalt sealant is used to prevent damage from the weather, and increase longevity of the roads. Please see the highlighted streets in the pictures below that will receive asphalt sealant in the month of April. For more information please call 623-349-6800 Ext 5.
